

Get creative and create a rocking sock puppet with our no-sew guide.

Make your puppet unique by adding your own decorations and using lots of fun colours.

Sock Puppet

You will need:

- **Your funkiest old socks**
- **PVA, craft or fabric glue**
- **Nose:** Pompoms, buttons, sequins, or other fabric will look great
- **Eyes:** Buttons or googly eyes work perfect
- **Hair:** Wool, pipe cleaners, material scraps, ribbon, or anything else you want to add for decoration

What to do:

1. Pick your funkiest sock.
2. Glue your button nose to the toe.
3. Glue your googly or button eyes above.
4. Trim your material or wool to the length you want your hair, and then add above the eyes. Why not add a bow or fun decorations?
5. Once dry, start having fun with your rocking sock puppet. Charge your friends and family an entry fee or for snacks to watch the show to raise funds!
